To: All Chiefs of Service  
Department of Medicine

Dear all

**New Format of Joint HKCPIE/MRCP(UK) Part I and Part II (Written) examination**

Please be informed that starting from 2025, the format of all the Joint HKCPIE/MRCP(UK) Part I and Part II (Written) examinations will be changed. Candidates can choose either “Remote Online Proctoring” (ROP) examinations [i.e. the examination will be taken online in a remote location NOT at computer-based centre] or in-centre computer-based examinations. The information on ROP examination is enclosed for information.

To apply to sit the Part 1 and Part 2 (Written) examinations, candidates are required to open a MyMRCP(UK) online account. For details, one may refer to the MRCP(UK) website <https://www.thefederation.uk/examinations>

The examination dates and the application periods can also be found in the MRCP(UK) website. HKCP will open the application for Hong Kong trainees two weeks before the official application starting dates as shown in the MRCP(UK) website. Applicants are required to submit their applications to the HKCP using a designated form. A certified true copy of the primary medical degree certificate (for MRCP Part I candidates only) is also required for verification of the candidate’s medical qualification. In addition, examination fee should be paid to the HKCP. After confirming the eligibility to sit the examinations, candidates will be notified by the HKCP and they should then apply to sit the examinations through the MyMRCP(UK) online account. No payment via the MyMRCP(UK) account is needed.

Please disseminate the above information to your department’s trainees.

Thank you.

Yours sincerely

Prof Tse Wai Choi Eric

Chairman

Examination Committee
