Examination Date Wednesday, 23 September 2026

- 2 Application

2.1 Candidates who wish to enter the examination must hold a recognised medical qualification for not less than 12 months from the date of graduation given on their diploma of medical qualification.

2.2 Owing to limited spaces in the examination, applications will be accepted on a first come, first served basis. Candidates who wish to apply for this examination, including both new and re-entry participants, are advised to access to the following google link to fill in the google form and with diplomas of primary medical qualification(s) for first entry candidate by 13 July 2026 (our local application deadline) for registration and vetting first:

The College will consider the arrival time/date of return emails/uploads in our “first come, first served” mechanism if we receive more applications than our allowed quota. 4 New Policy from MRCP(UK) Central Office

With effect from January 2013, the MRCP (UK) Central Office will adopt a **NO ID NO ENTRY policy** for all MRCP candidates. No candidates will be allowed to sit an MRCP(UK) exam if they cannot produce appropriate ID when requested to do so on the day of the exam. There will be no exceptions to this rule, unless specifically pre-arranged with MRCP(UK) Central Office in advance of the day of the exam.

MRCP(UK) Central Office specifies appropriate ID to be an official document which contains a candidate's full name, signature and photograph.

Please be reminded to adhere to the above regulation and bring the appropriate ID documents to the examination centre on the examination day.
